

TRIAGE PROCESS, Emergency Department

Please announce your presence to the triage nurse sitting at the desk on the other side of the glass doors, have a seat in the dark red chairs, the triage nurse will see you shortly.

When the nurse has completed his/her evaluation, you will be asked to see a registration clerk. Following registration, please sit and wait in one of the blue chairs.

When a room and physician are available, you will be called by an ER nurse who will hand you your medical chart and direct you to the appropriate treatment room.

Drop your chart in the chart box next or on the door of the treatment room. Please wait in the room.

Upon discharge following the physician's assessment, please leave by the exit at the back of the ER.

Follow the yellow arrows on the floor to get to the main entrance.

FAMILY VISITS: Please ask the clerk for directions to the observation rooms. One visitor per patient is permitted!
